Registration begins at the Gym, and the Sabbath Service and Business Meeting will be held in the Gym. These activities will conclude at 12:00 Noon. Lunch will be held in the Grove, and is to be "catered" by the present staff of the current residents. The menu is all Vegetarian, and the cost is \$8.00 for each person. This is for each adult and child. Checks **MUST** be paid in advance to:

Don Conibear—Treasurer

541 Industrial Way #2. Fallbrook, Calif. 92028.

Payments can also be paid by Credit Cards online

Via Pay Pal:

<http://www.sanpasqualacademy.com/SPAreunion.html>

The cut off date for all checks is June 5th. 2006. Due to advance catering staff notification requirements, only pre-paid individuals will be allowed to participate in the catered lunch.

One final note: The Board and the catering staff will allow a very limited number of individuals to pay at the door, but the charge will be \$12.00 per meal. This is only for hardship cases that did not receive this message, or the E-mail Newsletter. We can only provide "pay at the door meals" for up to ten (10) people.

The Board hopes you understand the restrictions of providing a catered meal, and thanks you in advance for your timely checks.

President's Message:

Dear Fellow Alumni and Faculty Members,

This year of 2006 has been a great year!! Presently we have an active and very much alive group of alumni and former faculty, and this group of you is growing all the time. Also, this year Alumni Day is being held back on our beloved "Old SPA Campus." This is a dream come true, for all of us who have dreamed of meeting out there again, after the school closed in 1997.

Deserving top honors are the 15 Class and Faculty Coordinators. You coordinators are the backbone in building up your classes, and adjacent years Alumni. Without you coordinators there could not be a vibrant, expanding Alumni Class Base. Thanks very much to every one of you!

The spread of Class Coordinators is from the class of 1956 right up to the Class of 1997. Remember, the school only opened in 1949, and finally closed in 1997. Thus, we have a remarkable spread over the years. But, it is my personal goal, as President of the Alumni Association, to have a Class Coordinator for each and every year the school was open. Let's work towards this goal.

Now a special note of recognition and thanks to our Webmaster, Danny Goff '70 (and Rascal). He developed and runs, the official San Pasqual Academy website and it can be accessed at: www.SanPasqualAcademy.com. Without his effort, and the website, the Board and all of the alumni could simply NOT get in touch with each other with the speed that we now have. I would also like to add that Andy Su '72 was fundamental in laying down the foundation work for this website as well. As this identical message is going out to both "The Paper Newsletter" and the E-mail Newsletter, those of you who are reading this as the "Paper Newsletter" I urge that you go to the website and register as a Alumnus.

When I became your President, part of my platform was to start a San Pasqual Academy History Project. It is now time for many of you to start to think of this project as we now have a website where we can instantly communicate between interested parties. Please contact me personally if you wish to be included in this project. As the list of participants grows we will all be "networked" together via the web. I can be reached at: 4implants@mindspring.com or my cell phone number (425)501-3194 (Seattle, Wash.) My cell is on 24/7, but please note any time difference between us and call accordingly.

For starters, I would like to hear from all of you Alape Staff, and all of you Valley echo Staff. This includes all the photographers that were on the staff as well. Also any and ALL Teachers and Staff can also work on this project. I was one of your humble staff photographers for the 1963 Alape...along with Capt. William "Bill" Hawkins. Also Mr. Morrow the Spanish Teacher was our Faculty Liaison.

Finally, I would personally like to thank Judy (Miller) Ramirez '67 and Don Conibear '63 for working together to get Alumni Day back on the old campus!! Thank you both very much, you both have made many thousands of dreams come true. And, as always, Rachael Gil, down at the conference office deserves a big thank you. She is the one you send your donations to, so that you can receive your tax deductions.

In closing, I would like to add that even though it takes a lot of time and work, it has been wonderfully rewarding working for all of you as your Alumni President.

Thank you all,

Dr. George M. Whitehead '63

President, San Pasqual Academy Alumni Association

Treasurer's Report

Once again our funds are barely sufficient to get by. There is approximately \$1,250.00 in our treasury. This is enough to get out one complete news letter

(this one). We need to get out one more before Alumni Day which may have to be electronic only due to lack of funds for mailing. Thanks to a \$500.00 contribution in December, we have enough to get out the one news letter.

OUR ALUMNI ASSOCIATION IS A 100% MEMBER SUPPORTED ORGANIZATION.

Please help keep it alive by sending your tax deductible contribution to:

Rachael Gil:
